Summary

I'm a passionate Full Stack Developer and BCA student at Chimanbhai Patel Institute of Computer Application, with a strong interest in building dynamic, user-friendly, and real-time web applications.

Currently, I'm enhancing my full-stack development skills through a professional training program, gaining hands-on experience in frontend and backend technologies including HTML5, CSS, JavaScript, Bootstrap and MySQL, Python.

I enjoy solving problems, learning new technologies, and developing solutions that make a real impact. My goal is to grow as a professional full-stack developer and contribute to innovative software solutions.
